

# Our name has changed

We hope you are keeping safe and well.

We let you know last year that Reside had joined Progress Housing Group. Now, we want to let you know our new name.

We have **changed our name** to RWP (Reside With Progress). We are the same landlord as before, so nothing will change to your home.

We have a **new website** called [www.residewithprogress.org.uk](http://www.residewithprogress.org.uk). It has lots of information.

We hope that as **RWP (Reside With Progress)**, we can:

- Provide more homes for people with a support need.
- Provide better services to you.
- Make sure that the Government helps us to provide nice homes for everyone who needs support.

Everything will stay the **same** in your home.

There will be **no changes** to your support staff or your tenancy rights, or your rent.

If your **housing officer** changes, we will write to you first to let you know.

We will let your **support provider** know our new name, too.

If we make any changes to the way you **report repairs**, we will write to you to let you know.

If you have **questions**, you can:

- Send us an **email** to [community@progressgroup.org.uk](mailto:community@progressgroup.org.uk)
- **Call** us on 03333 204555

Or, if you need assistance, please **ask your support worker** or family member to help you contact us.
